The facility houses the HTR offices as well as office facilities and amenities for 20 start-up companies.

The open house features light snacks, building tours, displays from many of the business incubator's start-up clients, and networking with fellow business leaders, entrepreneurs and investors.

The event is open to the public. Also invited are past and current HTR incubator clients, friends, associates, supporters, area entrepreneurs, and area investors and venture capitalists. Anyone who is interested in attending can RSVP to OpenHouse@htr.org

Guest speaker is Congresswoman Louise Slaughter, who helped secure funds to build the facility, which opened in 1997 and is named in honor of respected Rochester businessman and executive Donald Lennox.
